## ABOUT SECURE PARKING

*Our involvement in car parking began 40 years ago and since that time we have identified an opportunity to develop a fresh and more relevant approach to car parking that benefits all types of parking customers.*

We offer a wide range of user-friendly parking facilities and strive continually to provide the highest levels of customer service at every location, ensuring every experience you have with Secure Parking is a great one. Achieving this has been one of the key factors in making Secure Parking the largest Australian-owned car park operator in the country.

With more than 170 Secure Parking car parks throughout Australia and an innovative range of parking products to choose from, Secure Parking has a convenient parking solution for you.

*Our promise is simple. With Secure Parking, you'll have "No Parking Worries".*

*Sometimes parking in the city can be a real hassle. Changing parking restrictions, clearways and parking fines, not to mention the expense of topping up parking meters as the hours tick by – it all adds up.*

*But if you're parking all day and want to take a break from the stress, Secure Parking has the answer for you.*

Many Secure Parking car parks offer special Secure Early Bird Parking that gives you the convenience of all-day parking at a substantially discounted rate\*. It's the perfect choice for when you want to pick and choose the days you need the convenience of driving to work.

Simply enter and exit the car park within the set times and you can park all day at one rate without the risk of fines, plus enjoy the peace of mind that comes with parking in a secure facility.

Keep an eye out for "Nosey Parker" or external signage when you arrive at a Secure Parking car park and you'll know that an Early Bird discount rate is available for you.

Alternatively, to see if Early Bird rates are being offered at your preferred car park, simply go to the "Find Parking" section at [www.secureparking.com.au](http://www.secureparking.com.au) and follow the prompts to locate your preferred Secure Parking car park.
