ABOUT SECURE PARKING

Our involvement in car parking began 40 years ago and since that time we have identified an opportunity to develop a fresh and more relevant approach to car parking that benefits all types of parking customers.

We offer a wide range of user-friendly parking facilities and strive continually to provide the highest levels of customer service at every location, ensuring every experience you have with Secure Parking is a great one. Achieving this has been one of the key factors in making Secure Parking the largest Australian-owned car park operator in the country.

With more than 170 Secure Parking car parks throughout Australia and an innovative range of parking products to choose from, Secure Parking has a convenient parking solution for you.

Our promise is simple. With Secure Parking, you'll have "No Parking Worries".

GIVE YOUR BUSINESS THE EDGE

Parking on the street in any major city is practically impossible. That's why it makes good business sense to provide your most valued clients with the convenience of Secure Prepaid Parking. They can park at your preferred Secure Parking car park and arrive at your offices free of street parking stress.

And, best of all, you can purchase Secure Prepaid Parking for many different types of parking – such as day, evening or

weekend –as well as for different time periods to match your clients' parking needs.

All you have to do is direct your customers to your preferred Secure Parking car park and provide them with the appropriate Secure Prepaid Parking ticket when they leave your office. It's those little touches that make a big difference when doing business.

DISCOUNTS FOR BULK PURCHASES

When you purchase Secure Prepaid Parking tickets in bulk, you also save on the normal hourly rate at your preferred Secure Parking car park.
